No. S. P. C., dated 17th January 1931.

Specification for the supply of Jungle Wood Charcoal to Thippagondanahalli Dam Works.

The Charcoal shall be prepared from the hard variety of wood such as Jali, Tamarind, Chigari, Thabbala, Margosa, Devadari, Hiddarse, etc. The charcoal prepared out of soft wood shall be rejected and removed from the material yard at the contractor's own cost.

It shall be properly burnt and be free from dust, small particles, moisture and unburnt wood.

It shall be stacked neatly in the place marked out in uniform heaps with cubic yard profile.

The charcoal so stacked shall be measured by volume suitable deductions being made for dust, etc. One ton will be taken as equivalent to 100 to 110 C.ft. of good charcoal after deduction is made.

The rate to be quoted shall be per ton of good charcoal delivered at site of works and should include stacking in the Material Yard exclusive of seigniorage which has to be paid by the contractor direct.

The supplies should be arranged as required from time to time.

No. S. P. C., 11489, dated 13th January 1931.
